- Updating BGA web page with AFG information- Ann Marie will electronically present AFG Planning team meeting minutes to Melissa to be posted on the web page.
- Sister Cynthia suggested that it would be a great idea if Michelle Nice would make a presentation to the faculty about BGA's Middle State's AFG progress, including the importance and value of each and every BGA Faculty/Staff member's involvement in the process. At last week's Planning Team meeting, Michelle gave a passionate argument regarding Team Work and its relationship to classroom situations. Teachers and students sometimes encounter feedback from certain participants that they do not want to be a part of groups working in class, or that students do all the work and others are passive. Harry agreed and added that it can be like that in the business world also.
- Michelle agreed to be a presenter in next week's meeting.
- Harry volunteered to put together a presentation showing examples of an Action/Implementation Plan.
- Irene will confer with Sister Donna about discussing other faculty related topics to be presented at this meeting.
- The March 28th meeting will include the following:
 1. Sister Donna's/ Irene's presentation
 2. Michelle Nice –AFG Middle States “Involvement” testimony
 3. Harry Ziegler- Examples of Action/Implementation plans
 4. Break down into 3 ObjectiveTeams(meet briefly to let members see who is on each team and to discuss next meeting time/date and place.)
